DRUM SET

The drum set notation is written on seven staves. The first staff begins with a treble clef and a common time signature (C). The notation uses 'x' for snare and 'o' for cymbal. The first staff contains a single measure with a cymbal roll (o) and a snare hit (x). The subsequent six staves each contain four measures of music. Each measure in these staves features a cymbal roll (o) followed by a snare hit (x) on the first half of the measure, and a snare hit (x) on the second half. The notation is consistent across all staves, indicating a steady, repeating drum pattern.
