

FOOL IN THE RAIN GROOVES

DRUM SET

The image shows two variations of a drum set groove on a single staff. The first variation, labeled '1)', starts with a common time signature 'C' and a bass drum hit on the first beat. It features a sequence of eighth notes on the snare and bass drums, with 'S' above the notes indicating snare hits. The second variation, labeled '2)', is similar but starts with a different bass drum pattern. Both variations end with a double bar line.
