

I DON'T CARE

DRUM SET

The drum set notation is presented on seven staves. The first staff begins with a common time signature 'C' and a key signature of one flat. The notation uses various symbols to represent different drum parts: asterisks for snare, 'x' for hi-hat, and solid dots for bass drum. The first two staves feature a simple pattern of snare and bass drum hits. The third staff introduces a more complex pattern with hi-hat and snare hits. The fourth and fifth staves show a consistent pattern of snare and bass drum hits. The sixth and seventh staves feature a more complex pattern with hi-hat and snare hits, including some triplet-like rhythms.
