

THIS TOO SHALL PASS

DRUM SET

The drum set notation is written on a grand staff with a common time signature (C). It consists of seven systems of staves, each representing a different drum part. The notation includes various rhythmic patterns, such as eighth and sixteenth notes, and rests. Some notes are marked with an 'x' to indicate a specific drum sound, and others with a circled 'o' to indicate a different sound. The notation is divided into measures, with some measures containing multiple notes. The first system starts with a common time signature and a key signature of one flat. The notation is written in a standard drum set notation style, with the snare drum on the top staff, the bass drum on the bottom staff, and the cymbals on the middle staff. The notation is divided into measures, with some measures containing multiple notes. The first system starts with a common time signature and a key signature of one flat. The notation is written in a standard drum set notation style, with the snare drum on the top staff, the bass drum on the bottom staff, and the cymbals on the middle staff. The notation is divided into measures, with some measures containing multiple notes. The first system starts with a common time signature and a key signature of one flat.
